ESI to Host Investor and Analyst Conference in New York on March 21

March 6, 2018

ESI executives to provide insight into the company's growth strategy and market focus

PORTLAND, Ore., March 06, 2018 (GLOBE NEWSWIRE) -- Electro Scientific Industries Inc. (NASDAQ:ESIO), an innovator of laser-based manufacturing solutions for the microtechnology industry, will host its 2018 Investor and Analyst Conference in New York on March 21. At the conference, ESI's executive management team will provide insight into the company's growth strategy and market focus.

ESI's 2018 Investor and Analyst Conference will be held at The Westin New York Hotel, located at 270 West 43rd Street. This event will feature presentations by ESI's Chief Executive Officer, Michael Burger, and Chief Financial Officer, Allen Muhich, plus other members of the company's executive staff. Q&A briefings with ESI's executives will also be held following the formal presentations and luncheon.

Those who plan to attend the conference should register at go.esi.com/esi2018FAC for more information.
